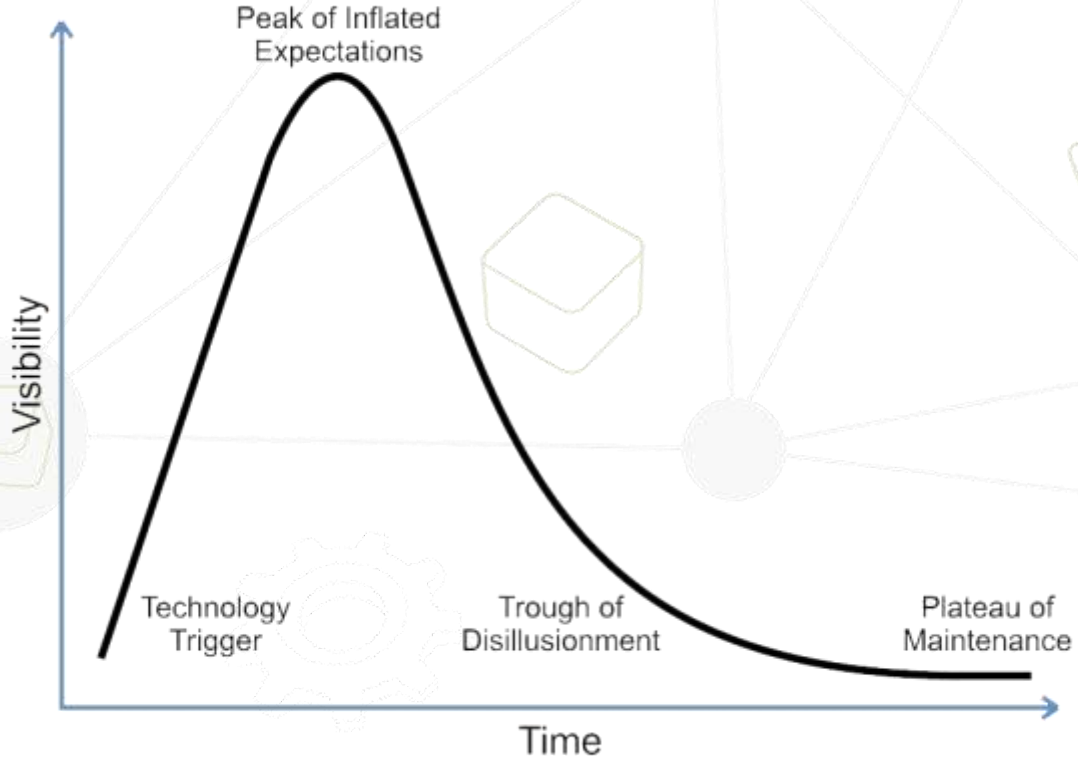
The Non-Core Projects of Despair



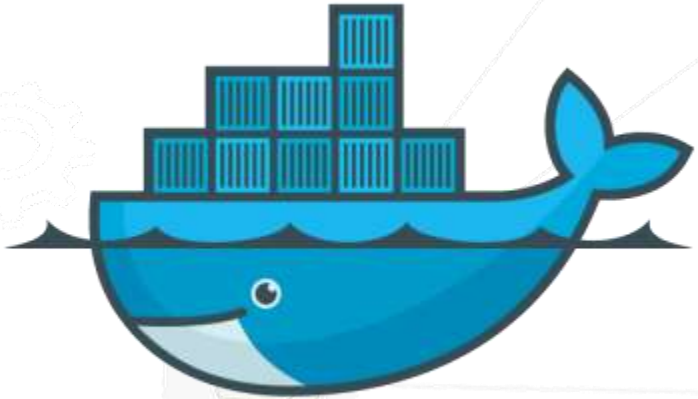
Introducing Bintray

Distribution as a service

The Bintray Advantage

- Full cycle: from development to distribution
- Any file + deb, rpm, maven, ...
- Full REST automation
- Powerful access control
- CDN backed (Cloudfront & Akamai)
- Advanced statistics

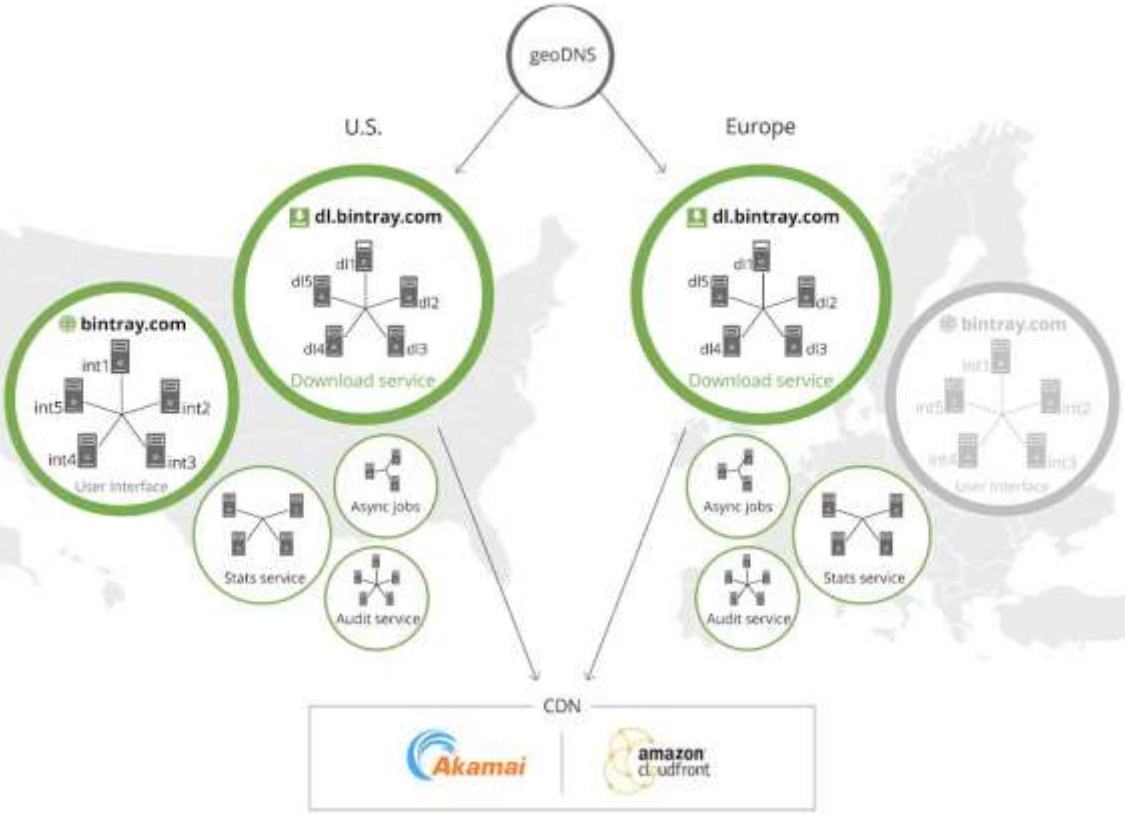
Now with...



docker

A COMPLETE, FAST & RELIABLE DOWNLOAD CENTER INFRASTRUCTURE

Fanatic Uptime



What it takes to create a real download center with Bintray?

DEMO TIME!

No, thank you!
(Don’t forget the feedback, think green)
